Re: Initial Draft for 206-27 School Calendar Recommendations

---

### **Process:**

As charged in the Negotiated Agreement between the Board of Education and River Trails Education Association, the Teaching & Learning Council (TLC) of RTSD26 representative of all district schools, is presenting a draft school calendar recommendation for the 2026-2027 school year.

### **Timeline:**

While the calendar does not need to be formally submitted to the board until April 1st, the committee felt making a recommendation earlier in the year would allow for better future planning for district families, teachers and staff. The committee understands the final calendar adoption is made by the BOE. Early approval will allow parents and teachers more time to plan for a shorter 2026 summer and earlier fall 2026 start date as compared to 2025. Traditionally, the administration presents the school calendar to the Board of Education one month prior to approval for review and discussion. However, a slight delay in presenting the calendar as we worked through contract negotiations has placed us slightly behind schedule. We are asking for the Board to both review and vote on the calendar for the 2026-2027 school year at the January meeting.

### **Important Considerations:**

Prior to building a draft calendar, the TLC reviewed the D214 & D207 approved calendars for 2026-27 and took into consideration the tentative agreements from contract negotiations regarding the Board's desire for actual student attendance days. The TLC committee also reviewed calendar guidance from ISBE as well as staff feedback gathered by TLC committee members. A concerted effort was made by the TLC committee to move back to a more traditional calendar seeing as major construction projects have been completed.
