SUBJECT: Brazosport College Memorandum of Understanding Renewal: Dual Credit, Educational Services, and Adult Education & Literacy Program

BOARD POLICY: EHDD (Legal)

DISTRICT GOAL: Brazosport ISD will provide a rigorous and relevant learning experience to ensure that every student will B*FutureReady

FISCAL NOTE: No New Funding

Background Information:

- In an effort to align the dual credit agreement with House Bill 1638 and provide additional learning opportunities for students, Brazosport ISD is requesting board approval of the Memorandum of Understanding related to Dual Credit, Educational Services, and Adult Education & Literacy Program between BISD and Brazosport College.
- There are limited changes to the agreement as follows:
 - Small changes in wording have been made to reflect current terminology.
 - An additional option to support core completion is recommended:
 - Literary Genres: Survey of British Literature: Anglo-Saxon to the 18th Century
 - Students would be able to take this after having completed English 1301/1302 during an earlier term.
 - The welding pathway was updated to reflect changes in program sequence at the college.
 - The document now acknowledges the role of RISE coaches funded by the college, primarily to help support students with college degree planning once they reach a designated number of college hours.
 - The document now articulates the security coverage that Brazosport ISD provides for evening dual credit courses that are hosted on Brazosport ISD property. This has been the practice for the past several years.
- The adult education and literacy program appendix allows for the use of district classroom space for adult ESL (English second language) and HSE (high school equivalency) courses. These occur in the evenings at least once per school year.

Our Vision: Brazosport ISD ... Setting the Standard for Educational Excellence
