

School Board Meeting:

August 25, 2008

Subject:

Montrose Suzuki Transfer

Presenter:

Tina Burkholder

SUGGESTED SCHOOL BOARD ACTION:

Recommend board approval

DESCRIPTION:

The 2008-2009 budget reductions were first approved at the December 17, 2007 school board meeting, then finalized when the school board approved the 2008-2009 budget on June 23, 2008. The first round of reductions included eliminating elementary band and orchestra with the intent that Community Ed would take over the programs and charge fees. Policy 706 – Acceptance of Gifts that was approved at the June 23rd meeting relates to the fund raising discussions early this past spring on activities/programs moving to the Community Ed fund.

The Montrose Orchestra Suzuki activity was recorded in the General Fund and had an ending balance of \$3,743.14. Now that Community Ed is taking over the orchestra, the remaining balance should be transferred from the General Fund to the Community Ed fund.

Because the General Fund no longer keeps track of the Montrose Orchestra Suzuki activity, the Business Office recommends transferring \$3,743.14 from the General Fund to the Community Ed fund.
