| Agenda Item: | Interdistrict Transfers Annual Approval Discussion |
| Item Type: | Items for Information & Discussion |
| Administrator: | Todd Bloomquist |
| Objective: | Review and discuss transfer policies |

Background: [Policy JEBC](#) requires annual approval by the Board to establish the number of student interdistrict transfer requests **into** the district to which consent will be given for the upcoming school year. According to the policy, the Board reserves the right to accept/reject nonresident students based upon the availability of space, resources, personnel, and appropriate programs at district schools.

During the meeting, the Board will also discuss [Policy JECD](#) which determines the number (or criteria) for release of resident students to other districts. If the Board is interested in revising the policy, it will be brought forward at the March 5th work session for a first reading, and then for approval at the March 19 Board meeting.

Additional Materials: Policies JEBC and JECD

Recommendation: Review the policies and hold a discussion on possible revisions to Policy JECD.

Suggested Motion: Information and discussion only.
