

Board Policy 2450: Contracted Student Services

Status:

Original Adopted Date: | Last Reviewed Date:

The Board of Trustees hereby delegates to the building principals the authority to enter into agreements for student services but, requires District approval of such contracts. The reason for District approval is that District administration has no control over excess spending if contracts are signed at the building level without the District's approval.

Special Education

It is the intent of the District to provide services required by students' Individualized Educational Programs (IEPs) and develop resources within the District to eliminate the need for outside sources for special education services.
