Facts of this Matter:

The ZCHS Athletic Department is seeking Board approval to acquire storage sheds for the lacrosse programs at the 875 fields, matching those currently in use by the soccer and tennis programs. Partnering with the same company ensures a consistent look across facilities and leverages an established relationship with a proven vendor. The new sheds will address specific storage needs for the lacrosse programs, ensuring that equipment can be securely and conveniently stored on-site.

Objective POSITIVES related to this item or approach:

We have quite a bit of equipment that we have invested a lot of money in, and we need to be able to secure it properly and safely.

Objective NEGATIVES related to this item or approach:

The only negative to this is the cost but we have been saving and budgeting in order to best prepare for this cost.

Opinion/Recommendation:

It is the recommendation of the ZCHS Athletic Department to purchase the storage sheds at a cost of \$2,515 each for a total of \$5,030. The funds used to purchase the system would come from the ZCHS Athletics ECA.
