Subject: Steve Stone Field - Naming Item

Background Information:

- The Board Facility Naming Committee composed of Allison Lassahn (Chair), Shelia Taylor and Staci Barker received a request regarding the potential naming of the baseball field at Hebron High School.
- The baseball field at Hebron High School is currently known as Hawk Field. The committee received a request from campus principal, Dr. Amy Boughton to name the field after former Hebron baseball coach, Steve Stone. The field has recently gone through a major renovation with a new turf field, bleachers and press box.
- The Board Facility Naming Committee met on May 22, 2026 to discuss the recommendation. The Committee recommends moving forward with the recommendation from the campus.
- The following letter was submitted by current Hebron baseball coach, Corey Farra in support of naming the baseball field after Coach Stone.

I am writing to respectfully propose that the baseball field at Hebron High School be renamed in honor of Coach Steve Stone, whose remarkable career and lifelong dedication to Lewisville ISD athletics have shaped the lives of hundreds of student-athletes and enriched our community in countless ways.

Over his distinguished career, Coach Stone has coached more than 400 young men, building not only talented baseball teams but strong, responsible citizens. During his tenure at Hebron High School, he compiled an impressive 453–340 record, led the Hawks to the playoffs 12 times, and captured four district championships (in 2005, 2011, 2016, and 2023). His excellence and leadership were recognized statewide when he was named the 2019 Texas High School Baseball Association All-Star Coach. Coach Stone's influence extends far beyond Texas. As a coach for the USA Baseball 18U National Team, he earned two Gold Medals — in 2024 in Panama and 2025 in Japan — representing our nation with the same integrity, passion, and professionalism that have deepened his work at Hebron.

Renaming the Hebron High School baseball field in honor of Coach Steve Stone would be a fitting tribute to a man who has given so much to his players, his school, and Lewisville ISD. His legacy of character, commitment, and competitive excellence will continue to inspire future generations of student-athletes for years to come.
