Recognition of Richard Moreno and Victor Alejandro for earning the distinction of National Hispanic Merit Scholar

Description:

Hispanic students who score in the top 2% of PSAT are invited to apply for academic recognition as part of the College Board's National Hispanic Recognition Program (NHRP). Every year, the NHRP recognizes about 5,000 of the 250,000 Hispanic/Latino juniors who take the test.

The College Board's NHRP program is an academic honor that can be included on college applications. It's not a scholarship, but colleges do use this program to identify academically exceptional Hispanic/Latino students.

Goal 3 We will provide meaningful and innovative instruction that promotes critical thinking and problem solving.
