Presented for your approval is a revision to Policy IKF, *Graduation Requirements*. The proposed revision clarifies the procedure for documentation on student transcripts when the civics test requirement is waived for eligible students receiving special education services.

Students are required to pass the civics portion of the naturalization test used by the United States Citizenship and Immigration Services by correctly answering at least seventy (70) of one hundred (100) questions. In accordance with state law, students receiving special education services may be exempt from this requirement. For those students, the District will document on the student's transcript that the civics test requirement was waived. (See p. 3 of the policy.)

One change was made to the policy since the first reading:

- In the section titled "Special Education" on pp. 6-7 of the policy, edits were made to improve readability.

**RECOMMENDED MOTION:** I move the governing board approve the revisions to Policy IKF, *Graduation Requirements*, as presented.
