

Your AKP VOICE Matters

March 27, 2024

Dear parents, guardians, and community members:

I hope this letter finds you well. On behalf of the high school science students, I would like to formally invite you to our first AKP VOICE meeting. This meeting is for students to share ideas for the upcoming 2024-2025 school year.

- AKP VOICE is a student-led project to explore possible school and community connections.
- AKP VOICE is to strengthen cultural values, traditions, and crafts.
- AKP VOICE is an opportunity for you to complete surveys to provide direction.
- AKP VOICE is a strategy to create school and community solutions.

The first meeting is scheduled Wednesday April 3, 2024, beginning at 6:00 pm in the school gym. The school has ordered Papa Murphy's pizza, soda, and other beverages served after the presentation at 7:00pm.

Respectfully,

Jamal Zaccery Thomas Quupaq Hart
