

Meeting Date: September 19, 2024

Submitted By: Dr. Kristin Saunders
Title: Assistant Superintendent

Agenda Item: Consider and take action regarding approving the September blended cohort MOU for the required Texas Reading Academies from Region 20.

CONSENT ITEM

RECOMMENDATION:

To approve the September blended cohort MOU for the Texas Reading Academies from Region 20.

IMPACT/RATIONALE:

HB 3 requires that all teachers working with students K-3 as well as campus administrators must successfully complete the Texas Reading Academy. The state requires that districts collaborate with an authorized provider. Judson's authorized provider is Region 20. Our district's Reading Academy cohort leaders, Nancy Witten and Dr. Shey Arnell, receive Reading Academy updates from our authorized provider and manage the Reading Academy requirements at the district level.

Our authorized provider, Region 20, has recently submitted a MOU for the required September cohort that is scheduled to launch this September.

BOARD ACTION REQUESTED:

Approval/Disapproval
