Dear Robert,

As you requested here is your premium paid and losses incurred for the past 2 years. As you can see the experience has not been good. I know you understand the numbers and you know we have always been fair with you and United I.S.D.

The company has said, that even though they have lost money on this case for the past 2 years they are willing to continue this coverage for the 2010-11 calendar year with a nominal rate increase. The new premium will be \$247,986.

The catastrophe and cash benefit coverage and premium will remain the same. That premium will be \$11,434.

Robert I hope you understand why the company is in need of an increase. The last 2 years have not been profitable. You know our service and claims payment have been excellent. Taking this all into consideration, I hope you feel it is in the best interest of all parties to renew your **STUDENT/ATHLETIC ACCIDENT** insurance program with The Brokerage Store, Inc and Robert Laurel.

Should you have any questions please feel free to call. Thank you for your past business and friendship. Talk to you soon.
