RE: Disposal Assistive Technology Equipment

DATE: August 9, 2018

The Department of Special Education would like to recycle and/or dispose of old and outdated assistive technology devices and equipment. This includes:

- 48 15-year-old word processors
- 20 audio book recorders no longer compatible with current technology
- 8 Dell PCs too old to make compatible with new software
- 9 Old adapted keyboards no longer compatible with current technology
- Assorted cables and chargers no longer compatible with current technology
- Old assessments on CD no longer compatible with current technology
- Assorted AT devices no longer compatible with current technology
