Background Information

Bluebonnet Learning are state-developed instructional materials that provide teachers with the tools to foster student success. Developed using the latest cognitive science, Bluebonnet Learning instructional materials cover 100% of the Texas Essential Knowledge and Skills (TEKS) and provide a full suite of resources including scope and sequence, daily lesson plans, and student materials. All Bluebonnet Learning instructional materials are designed to be high-quality, suitable, and grade-level appropriate.

Strong Foundations Implementation provides direct grant funds to LEAs for technical assistance to support high-fidelity implementation of the Texas open education resource (OER) instructional materials (Texas Bluebonnet K-5 Reading Language Arts and Math), including high-quality professional learning for teachers, instructional coaches, school leaders/campus administrators, and district leaders on effectively implementing OER.
