

Dear NKN School Board,

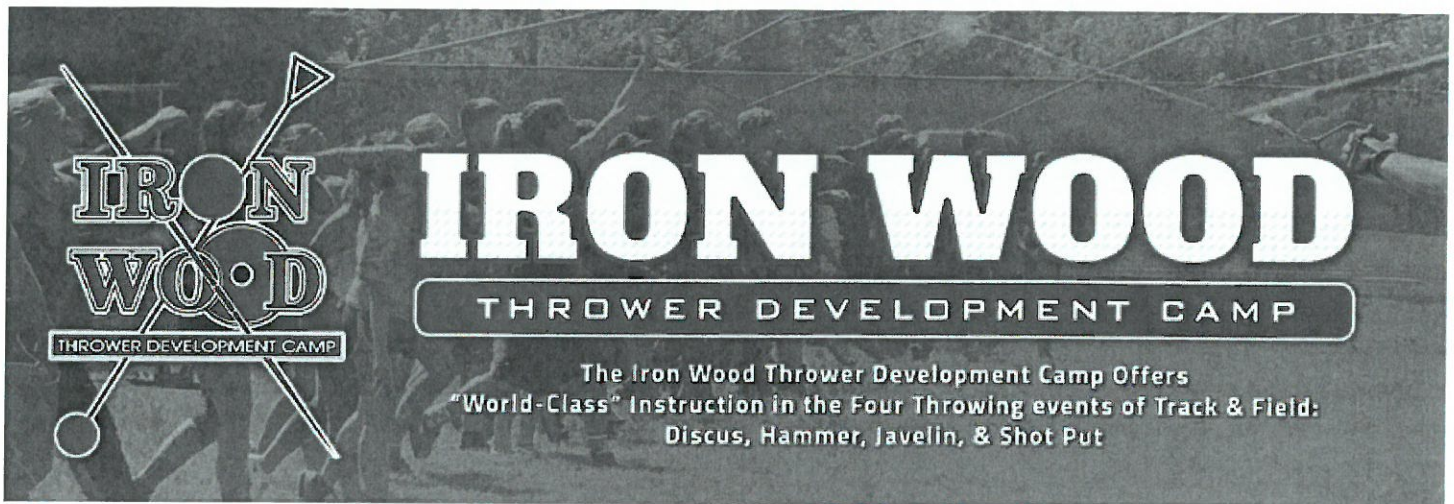

I am proposing to take a group of 5-12 Track and Field Athletes, ranging in grade from in-coming Freshman to in-coming Seniors, to the Ironwood Throws Camp in Coeur d'Alene Idaho during the week of July 8-13. The Ironwood Throws Camp is recognized as the best in the Nation with world-class coaching and a line of successful attendees ranging from State Champions to Olympians.

To attend we will be taking a District or First-Student Van or Bussette, depending on the number of student-athletes interested. I will be attending as a "Watch-Only" coach, while the ratio of coaches to student-athletes at the camp will be about 1-5. Students will be staying in dorms at North Idaho College where, "Male and female athletes will be housed on separate, well-chaperoned floors in the residence hall."

Funding will be provided through the NKN Track Club Fund as well as pre-arranged donations.

This is a great opportunity to build interest in throwing at NKN and to utilize the quality facilities that we now have available.
