Re: Proposed Updates to Policy FDB(Local)

The proposed revisions to FDB(Local) under admissions for residents grants the District flexibility to grant transfer requests from one school to another. Additionally, employees that serve the District through Durham Transportation and Aramark Custodial Services would be included for consideration of their student transfer request so that their child could attend a campus close to their employment site. This benefit would assist these organizations with staff retention.

Recommendation:

An appropriate motion for board action on these local policy updates is:

"I move that the board revise policy FDB(LOCAL) as presented."
