The Board of Education believes that the safety of students while being transported to and from school or school activities is of utmost importance and is the primary responsibility of the driver of the school vehicle. To fulfill such a responsibility, each driver, as well as others who perform safety-sensitive functions with District vehicles must be mentally and physically alert at all times while on duty.

The District shall adhere to State and federal law and regulations requiring a drug and alcohol testing program for school bus and commercial vehicle drivers.
