## **2018-2019 Joliet Township High School Student Ambassadors**

Joliet Township High School Student Ambassadors represent the school district throughout the community in a variety of ways. During the 2018-2019 school year, Student Ambassadors gave back to their schools by delivering presentations at neighborhood, school, and community meetings. They provided academic assistance through tutoring at Mt. Carmel Church and Lively Hope Church. Ambassadors provided childcare for parents participating in the Bridges out of Poverty Program, and many ambassadors used their bilingual skills to interpret at community events and to provide assistance to families in Spanish. JTHS Student Ambassadors completed volunteer service at numerous events for the Joliet Public Library, Spanish Community Center, our schools, community organizations, and so much more.
