

March 27, 2026

Please accept my letter of resignation for the position of Community Education Coordinator effective April 30, 2026. My plan is to have registration materials for summer T-Ball out before that time as well as progress on the schedule for that activity. If a suitable replacement isn't hired by that time, I would be willing to stay on for another month or two to wrap up T-Ball and any other programming that comes available.
