**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

My recommendation is that we do not go to an open enrollment policy again this year. Last year we changed the timelines for application and worked with our neighboring districts about all being a little more flexible within the guidelines of our current policies.

**Provide history/background information on your proposal.**

This is on the agenda because it appears to be an annual decision that needs to be made by the Board prior to March first of each year.

**List the advantages of your proposal:**

**List possible disadvantages of your proposal:**

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**
