# Professional Development

---

**Through remote responsibilities, Paraeducators had the opportunity to participate two online training modules:**

Training One: For paraprofessionals assigned to Learning Centers, we will be providing access to a digital training through The Autism Partnership Foundation (APF) to gain a certification as a Registered Behavior Technician (RBT).

Training Two: All other paraprofessionals assigned in either a one-to-one or shared capacity, will participate in each of the 28 modules offered through Autism Focused Intervention Resources & Modules (AFIRM).

2.5 days left from our SERC contract will be carried over to next year

---

# Constellations Behavioral Support

---

Revised agreement for remote learning to include 20 hours per week of support from the BCBA.

## **Roles and Responsibilities:**

Constellation School based Therapy is currently providing ABA services in Derby school district. ABA can be provided to children with Autism Spectrum Disorder to typically developing children struggling with problem behavior through direct intervention, consultation and parent training.
