The District is required to submit a final calendar to the State that recognizes any emergency days that were used during the year. Emergency days that were unused were removed from the calendar. While no emergency days were used, we utilized an E-Learning day on Friday, January 23, 2026 which is reflected on this calendar.

It is the Administration's recommendation to approve the amendments to the 2025-2026 School Calendar as presented.
