

Hallsville Independent School District

For the Consideration of the Board of Trustees

Date of Board Meeting: July 28, 2025

Agenda Item #: _____

Topic: iReady

Background and Rationale:

i-Ready is a connected experience delivering teacher-led core and supplemental instruction across math and reading. iReady Diagnostic screens our students and provides differentiated goals to accelerate growth. It creates a personalized path of learning for each student.

Texas law (HB 1416) requires all students who do not achieve approaches or higher on STAAR grades 3-8 or EOC assessments be provided accelerated instruction. Supplemental instruction in addition to instruction typically provided to students in the grade level in which they are enrolled is required.

Testimonials

*I am a teacher with various grades in one classroom (3-5). What I love about your website is that it is kid friendly and has **reports for the teacher to closely monitor what the students actually does during his/her time on the computer.** It allows practice on numerous skills which is an advantage for upcoming state assessment.*
