Football Conferences 2014-2015- Motion in 2014 for Frederic to move to the South Lakeland. Washburn to the North. Options with Dunn/St.Croix to do the cross over game. If Dunn St. Croix doesn't approve the cross over, we wait until 2015 for this to happen. Football should be divided by size. Motion Carried.

8 and 11 man schedules for 2014 and 2015 were accepted. Mellen has been let in to the 8-man league as a conference team. They have no lights at their field.

Football Helmets should be thrown away after 10 years because you are not insured after that on the helmet.

You need to use the Spaulding T-1000 Classic basketball for your conference games. If you don't have one they can be purchased at Chippewa Valley for \$38.00.

3 person officiating crews. \$65.00 x 3 people; no mileage.

Motion to go back to 14 games for baseball and softball in the West Lakeland in 2015. Motion Carried.

Bowler will be contacted about the Bye weeks in the 8-man football schedule. Ryan Karsten will be meeting with them at WADA.

Motion to go back to an all coaches meeting in the fall. All head coaches are required to attend. There should be a meeting every year. It improves communication and SPORTSMANSHIP.
