

## Navarro Intermediate

### January Board Report

#### Enrollment:

**3<sup>rd</sup> – 228**

**4<sup>th</sup> – 214**

**5<sup>th</sup> – 230**

**Total: 672**

#### **Campus Events:**

MAP Testing began on January 9<sup>th</sup> for math, ELAR will be on January 14 and science on the 16<sup>th</sup>. We will be analyzing the data in our upcoming PLC meetings this week and next. We will also be restructuring some of our WIN groups based on this data. Goal setting has been done and many of our students are surpassing their goals, and we are excited to see the growth!

We are happy to welcome Kylee Emerson to 3<sup>rd</sup> grade math and NIS. She is a former Navarro student and graduated in 2020 from the district. She is a recent Texas State University graduate. She did some observing in the 3<sup>rd</sup> grade classroom before the break and student taught at the elementary campus in first grade for the fall semester.

Our DART Breakfast will be held this Friday, January 17<sup>th</sup> for those students “doing all the right things”.

There will be a film crew on campus Wednesday, January 15<sup>th</sup> to interview staff about the implementation of our HQIM (Amplify). This is for the Rural Schools Conference that will take place in February in Georgetown. They will interview teachers, IC’s, take photos during our PLC’s.

UIL Ready Writers will complete their writing this Friday for the competition.

Panther Shake Finals are Friday, January 17.

Several of our amazing teachers will be presenting on our January 21<sup>st</sup> PD Day. We will have some sessions on MAP, 7 Steps to a Language Rich Classroom refresher, some cyber information from technology, and information on SpEd co-teaching and grading.

#### **Counselor's Corner:**

This month Mrs. Clardy will be focusing on college and career/military readiness. All students will be provided with a read aloud of "Oh, the Places You Will Go." After listening to the story, students will complete a graphic organizer to be displayed that highlights future goals. Mrs. Clardy will be working with 4th/5th graders using our district wide program XELLO that supports college and career exploration. 3rd will continue with "Child Safety Matters" on January 22nd. The habit that we are focusing on this month is "Begin with the End in Mind."
