Re: Playground Equipment Purchase Update - 2013 Bond

As previously discussed with the Board, many elementary schools are now left with limited playground equipment due to the removal of playground equipment for student safety concerns. I would like to update the Board on the progress of the Playground Committee's plan to purchase replacement equipment in K-6 buildings at the next Committee of the Whole on Monday, November 6, 2018. Please add this to the agenda. Thank you.
