To whom it may concern,

I am a news reporter from Will County Gazette, a media organization committed to providing comprehensive and accurate news coverage on local governmental affairs. I am requesting the following records under the Illinois Freedom of Information Act, 5 ILCS 140, preferably in electronic format:

Copies of all vendor contracts over \$1,000 for the current school fiscal year.

As a member of the media, I am involved in gathering and reporting news to the public. Access to public records is essential for me to fulfill my professional responsibilities, which include holding public institutions accountable and providing transparency to the public. Given my role in disseminating information, I believe I am eligible for a fee waiver as a media professional.

Please let me know if you have any questions,

Owen Wang,

Will County Gazette

FOIA REQUEST

For over 70 years, the IRTA has worked to enhance the lives of retired teachers and promote the importance of public education throughout our state.

Once again, we are reaching out to school districts to request the contact information of certified staff who are planning to retire in 2026. By gathering this information, we hope to

extend an invitation for retiring educators to join our association, providing them with valuable benefits such as legislative advocacy, social events, educational resources, and more.

Thank you for your time and assistance. Please fill out the form provided:

Fillable Form: [**IRTA 2026 FOIA Request – Fillable form**](#)

Or if you prefer, please send the information to freedom@irtaonline.org. Your support is vital to the continued success of our mission to serve Illinois educators, both current and retired.

If your district has NO RETIREES this year, simply reply to this email with the word NONE and please include your name, district name and number of your district and I will consider the request fulfilled.

This is a request by the Illinois Retired Teachers Association, a 501c4 not-for-profit Illinois organization under the Illinois Freedom of Information Act.

Thank you,

Sheila Norman

Dear FOIA Officer,

Pursuant to the Illinois Freedom of Information Act (FOIA) – 5 ILCS 140/1 et seq., I am requesting copies of any existing records that describe purchasing or contracting approval authority within your School District.

Specifically, please provide records, policies, schedules, or tables that identify:

- * Dollar thresholds requiring approval by school administrators (e.g., principals)
- * Dollar thresholds requiring approval by central office staff or department leadership
- * Dollar thresholds requiring approval by the superintendent or designee
- * Dollar thresholds requiring approval by the board of education

If approval thresholds differ by category (for example, instructional materials, instructional technology, software, professional services, or consulting), please include records reflecting those distinctions.

Please note: I am not requesting the creation of any new records. This request is limited to existing records only. If no such records exist, please confirm that in writing.

If any of the requested records are already publicly available, a link or citation to their location would be sufficient.

This request is being made for non-commercial purposes.

Thank you for your time and assistance.

Sincerely,

Chris Miller
