Delivery Timing

6 - 8 weeks for delivery of materials to the job site from the time of order, submittal approval, and confirmation of order details including voltage, phase, and pole locations.

Due to the built-in custom light control per luminaire, pole locations need to be confirmed prior to production. Changes to pole locations after the product is sent to production could result in additional charges.

Notes

Quote is based on:

- Shipment of entire project together to one location.
- 480 Volt, 3 Phase electrical system requirement.
- Owner is responsible for getting electrical power to the site, coordination with the utility, and any power company fees.
- Includes supply and installation of Musco system by a licensed contractor.
- Confirmation of pole locations prior to production.
- The owner of the field is responsible for the structural integrity of the existing poles.
- Bonding of the equipment is included.

Thank you for considering Musco for your lighting needs. Please contact me with any questions or if you need additional details.
