Re: Bid Results for Summer 2023 Roof Replacement

I would like an opportunity to share with the Board of Education a recommendation for full roof replacement at Kennedy Elementary and a portion of the roof at Stevenson High School to be fully replaced. We are recommending Lutz Roofing, for a total project amount of \$3,784,200.00 and to have work completed during the summer of 2023. These Sinking Fund projects represent a continuation of the District's roof replacement program.

Please add this as an agenda item to the Committee of Whole meeting on December 5, 2022 and contact me if you have questions. Thank you.
