BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting January 27, 2025

FOR DISCUSSION

Subject: Building Projects

Elizabeth Hennessy from Raymond James and Ryan Kelley from DLA Architects will be present and during this portion of the meeting, they will provide updates to the Board regarding:

- A review of the construction bonds draw down schedule;
- Life safety bonding needs;
- An order for the public hearing on the referendum bonds required for February 10 to be signed by the Board President;
- An order for the public hearing on the life safety bonds required for February 10 to be signed by the Board President;
- Timeline and draft parameters resolution shared and reviewed.

Following your opportunity to ask questions, Ryan Kelley from DLA Architects will present the items from the most recently submitted 10-year Life Safety Survey. This information will connect with the bonding needs identified by Elizabeth Hennessy earlier in the meeting. They will also be able to answer any questions you have at this time.
