Re: Bid Results for PEP Grant Purchases

We would like to discuss the physical education equipment purchase at the next Finance Committee meeting on December 7, 2015.

We made the bid available on November 12, 2015 and opened the bid on November 30. The district received proposals from seven vendors. We are recommending the physical education equipment to be purchased from Exercise Warehouse, Livonia, Michigan at a total cost of \$57,731.15. Please find the attached recommendation and bid tabulation sheet from Harry Lau, Administrator of Facilities and Operation.

The funding source for this purchase will be from the Carol M. White Physical Education Program (PEP) Grant. Please feel free to contact me if you have any questions.
