Working with the Forest Lake Community Ed program has been a joy! The program as a whole is very organized, well communicated and well planned. The interactions with the amazing people in the community have been so rewarding.

Emily Iannazzo - Essential Oils Instructor

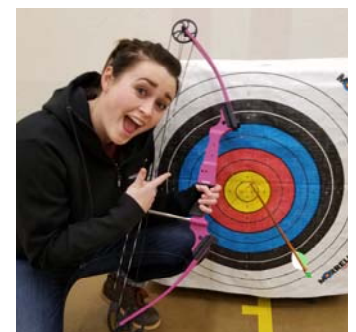

I really enjoy working with adults who hold jobs in various industries and hearing about how they use technology on a daily basis. I receive information that helps me to drive my instruction with younger students at the middle school setting.

Welcome Michele!

Michele Slattery joined the Community Education Youth & Adult Programs team in January 2018. Michele is a Forest Lake Area High School and University of Wisconsin, Superior graduate. She comes to us with previous experience working in the fitness department at the YMCA, Forest Lake. Michele has been eager to learn and is very willing to accept the new opportunities that working in Community Ed has to offer. We're happy to welcome this Ranger back to Forest Lake Area Schools!
