Superintendent Report February 2024

Facilities:

Tom Kerr along with some parents, new coaches and student volunteers have been rehabilitating the baseball field. We have ordered and are in process of installing a new indoor batting cage. The fencing needs to be completed and sand and some top dressing needs to be delivered and placed in the infield. The construction class has set forms for a new Shot-Put pad for track. We are just waiting for a weather window to pour concrete. I have a community member willing to do the concrete finishing work when we have a weather window.

Athletics:

High School Basketball season has been completed with both of our Girls and Boys teams making it to district play this year. HS Spring Sports start on February 26.

Student Activities:

We celebrated valentines in the classrooms. The elementary had their award ceremony and the HS had their "Valentine Fest" this month.

EP&O Levy

Mike Bateman and myself went to the Matlock General Store to meet with the Coffee Group with any questions regarding the levy. The Mason County Journal had an article on the levy results on February 14th and again on February 22nd. The EP&O Levy validation and certification was Friday, February 23, 2024. As of Friday, February 24, our EP&O levy is passing.

State Auditor's Office-MMK Federal Audit

The SAO's office conducted the audit entrance conference with the board on February 1st. Cynthia Brehmeyer represented the board at that meeting. The auditor has been onsite three times for file review. Based on the verbal feedback, the auditor has been please with our files and record keeping. They are in the final stages of review and will be sending out an invitation to the board for an Audit Exit Conference with the final audit material. This may occur in early or mid-March.
