3.4 Expand opportunities for students to participate in school-based activities that build social connections.

Multi-age Learning Opportunities

- **Buddy classrooms** (k/3, 1/4, and 2/5) get together every other Friday for buddy reading, math games, crafts, etc.
- **Community time** (K-5 multi-age classes) get together on the opposite Fridays for board games, STEAM Bins, guided drawing, group games, engineering challenges.
- **K-2 and 3-5 STEAM Rotations** (multi-age mixed classes) happen once or more a trimester. Each teacher plans a special activity or lesson centered around theme. The learning is STEAM based

March Mammal Madness

This yearly event has become a STEAM tradition.

Classes learn about a variety of animals and follow along to see who becomes victorious!
