GT & AP	<p>-Waiver 6 - GT- states that all students are kept in the classroom with their peers.</p> <p>-Waiver 7 - alternate training for AP teachers. DESE has a Weighted Credit and AP Training Review Committee that reviews and approves alternate trainings to meet the training requirements. There are currently many approved trainings that are not AP Summer Institutes. The district could request that the committee review the trainings they feel will meet the needs of their teachers. This is a continued waiver, and likely at the time of the original request, there was not an option to request approval of alternate trainings. How are students performing on AP exams with the alternate trainings the district has currently been utilizing?</p>	<p>-10 years?</p> <p>-How are classroom teachers trained to provide appropriate differentiation for advanced students?</p> <p>-How have students performed on AP exams with the current AP teacher training waiver? Does data indicate these trainings are equipping the teachers to deliver the content of the courses?</p> <p>-Suggest submitting a request to Krystal Nail for the DESE AP Weighted Credit and AP Training Approval Committee to review proposed trainings instead of seeking wavier 7.</p>
