Staff Development - None for the month of February

## Principal's General Narrative:

February was a great month at Brackett High School. Our academic UIL team competed in several meets and they continue to get better. At the San Antonio meet, our team won several trophies and medals on their way to being the meet champions. Our art students competed in district and area competitions this past weekend. We took seven students who all advanced to area and then we had two students advance to state. The state show will be hosted in Dallas in April.

Our Varsity Girls and Boys basketball teams did very well in the month of February. Both teams advanced to playoff, with our girls finishing the year as Bi-District Champions. We have started tennis, track, baseball, softball, and golf. Our students are continuing to work hard in academics so that they can participate and represent our school in athletics. We are in the middle of stock show season and our kids continue to compete well in Ag mechanics, judging, and showing.

Our teachers are working extremely hard to get the students prepared for testing that is coming up. We are continuing tutorials for our students that need a little extra help preparing for their EOC's.
