Topic: Administrative Reports
 Contact(s):
 Presenter(s): Martina Wagner, Superintendent

Nature of Action Requested by Board

Board action
 Board information or scheduled report

Background Information

<p>June 11 & 12, 2024</p>	<p>I Love U Guys Training First Responders and Red Wing School District Administrators will attend this K-12 Standard Response Protocol – Hold, Secure, Lockdown, Evacuate and Shelter.</p>
<p>June 13, 2024</p>	<p>The Big 9 Leadership Conference will be hosted by Owatonna on June 13 from 8am – Noon.</p>
<p>2023-24 Filed Trips</p>	<p>A list of Field Trips is listed as an EXTRA on Boardbook</p>
<p>Building and Programming Updates 1st meeting of the Month Building Updates</p>	<p><u>Colvill</u></p> <ul style="list-style-type: none"> • <p><u>Sunnyside</u></p> <ul style="list-style-type: none"> • May was full of field trips at Sunnyside. Kindergarten students enjoyed a town tour of several local businesses, visited the Perkins family farm, and finished off the school year with a trip to Hok-Si-La Park near Lake City. First grade students had the opportunity to visit Carpenter Nature Center near Hastings, and they also had a chance to tour Burnside School as they prepare for 2nd grade. • Field Day at Sunnyside was a resounding success! The weather was beautiful, and Mr. Johnson had a variety of fun relays and activities set up for classrooms to rotate through. Feedback from teachers, students, and parents was very positive! • On May 28th, Sunnyside held its 4th quarter PBIS celebration to recognize students' hard work and Winger Pride over the last quarter of the year. Students enjoyed a popsicle and bubble party out on the field. It was a great way to celebrate students' continued efforts to be safe, kind, and responsible! <p><u>Burnside</u></p> <ul style="list-style-type: none"> • Third grade students were able to go to Target Field and do some math as part of a foundation grant written by the third-grade team. Second grade students went to Prairie Island for the Buffalo field trip, and the fourth graders visited City Hall, the water treatment plants, and Twin Bluff Middle School.

- Burnside had many families come to the Second Grade Sneak Peek. What was best about the sneak peek (aside from meeting all of the rising second graders) was the fourth graders who were fantastic ambassadors.
- On May 24th, Burnside held its 4th quarter PBIS celebration to recognize our Winger Pride. Students enjoyed a popsicle and a dance party emceed by Mrs. Grove.

Twin Bluff

- Grade 5 is enjoying the IGO experience and has worked through the weather-related issues. Mr. Stinson's class had to be rescheduled for Tuesday (5/28) due to last week's weather patterns.
- TBMS hosted all "rising 4th graders" on 5/14/24. Students came to Twin Bluff, met the teachers and Grade 5 Ambassadors for lunch, building tours, and discussions on what expectations are for students as 5th graders. Students were also able to try locker combinations and ask questions throughout their tour.
- TBMS also hosted a "rising 4th grader family night" on 5/16/24. We had 45 families attend and engage in our school-wide scavenger hunt. The confidence level of the students in leading their parents around the building was evident. The students were excited to show their parents how to "get around" the building. The combination lockers were the biggest hit of the night as students enjoyed showing their parents/guardians how they could open their lockers.

High School
