

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 18-Feb-14

Agenda # _____

Staff/Administrator: Debbie Breckner

Superintendent: Patricia Adams

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I am requesting that the board of directors approve the revised student calendar. This is one piece of the work that is necessary to adjust the end of the school year. The two major changes are an adjustment in the end of the 2nd trimester in the end of the grading period, when the clerical day is, and when parent conferences/staff development occur. The other change is in June when the end of the school year occurs.

Provide history/background information on your proposal.

As you know, the District was closed for 6 straight, days due to icy winter conditions. This impacted teaching and learning time across the district at every level. The superintendent has recommended reinstating three instructional days and this calendar reflects that recommendation.

List the advantages of your proposal:

Three school days are reinstated for students.

List possible disadvantages of your proposal:

NA

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?
