

Dear Mrs. ...  
Thank you so much for our new chromebook.  
This school year we will be using it for things like Zearn  
google classroom and blogging. My favorite parts of these  
chromebooks are it's big screen. The big screen makes it  
seem like a computer and I love it. A bigger chromebook  
makes it easier to read small print. I also love the mouse  
and how it is so easy to use. Last time some chromebooks  
had such a bad clicker we needed to use a mouse. Thank  
you once again for our new and better chrd

# Annual Chromebook Replacement

Jeff McGinnis  
Director of Technology and Safety

# Introduction

- All students K-12 have a Chromebook
  - Secondary Students take them home
  - Elementary Students leave them at the school
- PK- carts with Chromebooks
- Prior to Covid- Secondary students were 1:1 only

# Device Replacement Plan

our new chromebook  
using it for things like Zearn  
ing. My favorite parts of these  
reen. The big screen makes it  
love it. A bigger chromebook  
all print. I also love the mouse  
e. Last time some chromebooks  
needed to use a mouse  
and better chro
