

# Secondary School Board Report

September 2023

1. Thank you, Bill Tollefson!
  - a. I can't begin to describe how much work Bill has done over this past summer and continues to do to make sure that our district buildings and grounds are the best that they can be. I am grateful and thankful for his knowledge, his patience, and his ability to laugh in any situation.
2. Ranger Ready and Profile of a Ranger Graduate Update

- a.
  - b. A team of staff members have been working together to develop our Profile of a Ranger Graduate plan. Andrew Dirks, Jessica Dietz, Nickie Doyle, Brianna Erickson, and me are excited to show you our new profile brand "Ranger Ready: More than a score." This is representing the fact that we are providing a wide variety of opportunities for our students to be Career, Training, and Life ready. We are excited to celebrate this information and hope to have a complete profile by the end of this school year.
3. First weeks of school:
