Re: Annual Statement of Board Training Hours

All members of our Board of Trustees have, or will, complete all the training hours required by the TEA before May 8, 2010. Because our required "Team of Eight" training was cancelled due to weather, none of our Board members have completed that portion of the training. However, it is the full intention of this Board and administration to complete that training as schedules allow no later than May 7, 2010.
