**Re:** Board Report April 2026

**Goal: Portrait of a Graduate**

- The spring state testing window is approaching. Our 11th-grade students will be participating in the SAT, along with WIN assessment and M-STEP. Students in grades 9 and 10 will take the PSAT. These assessments will take place the week of April 13th.
- Our seniors are starting to celebrate and close out their high school journey, including cap and gown pick-up and planning for the senior clap-out.

**Goal: Engagement**

- CHS Music Boosters and Music Department will host their annual collage concert on April 11th. This event is one of the coolest events of the year! It features every performing ensemble at CHS and small groups of students.
- Last month, CHS hosted the state solo and ensemble event and had a number of students earn top recognition: CHS Students receiving high honors from the MSBOA State Solo and Ensemble event- Josh Gregory, Outstanding Soloist Recognition; Josh Gregory, Libby Timberlake, and Caterina Rossi-State Honors Ensemble Placement; Symphony Chamber Orchestra-Outstanding State Ensemble Recognition; Symphony String Quartet- Outstanding State Ensemble Recognition (Samantha Bieber, Chloe Bagbey, Emily Schaefer, and Amy Stanavich); Symphony Duet-Outstanding State Ensemble Recognition (Wyeth Angus, Isaac Snyder).
- Each year the senior class raises money for Mott Children's hospital. This year they will host an extreme volleyball game during the annual Mini-Victorathon fundraiser, April 18th.

**Goal: Health and Safety**

- CHS students in Health Sciences successfully completed their coursework and hands-on training to begin their clinical rotations at The Chelsea Retirement Center. This is an excellent opportunity for our CTE students to gain valuable workplace skills.
