Outstanding Activities and Events

In Celebration of those students who had perfect attendance for all of December and January, the staff hosted a sleep over at the school. The evening started with a spaghetti dinner and games in the gym. Then there was crafting, movie watching, and flashlight tag. It was a late night, full of fun. Students woke up to pancakes and bacon. Everyone went home with full stomachs and good memories.

It was very exciting. Nondalton folks were thrilled. We are extremely touched by the the effort and thoughtfulness of the people in Port Alsworth.
