TWS	Congratulations to the Drama Dept on their State Performance of "We Are The Sea" at UWSP on November 19. The performance earned the group All State Honors and Outstanding Ensemble. Maura Koth earned and Outstanding Acting Award. Ms. Balda and Ms. Herbison earned Outstanding Directing Awards.
TWS	Congratulations to Paige DeKiep for her performance at the WIAA Girls State Swim Meet. Great season Team and Coaches!
TL&R/TWS	Future Business Leaders of America (FBLA) was able to participate once again with the Tomahawk Chamber of Commerce's annual Venison feed on November 19th. This year's club officers - Madilyn Bauman, Elizabeth Lee and Maggie Lashua used previous year data to set up the order for this year's shirts, set up and ran the booth on site and managed to sell all but six of the 70 shirts that were ordered for the event. The weather always has an impact on attendance, and with some sunshine, low winds and temperatures in the 30's attendance was high and people were in a positive mood. The work done by the officers this year marked the first year in at least four previous years where the club was able to cover their costs with sales. The club appreciates the ability to help mark the event with commemorative apparel and look forward to a continued, positive relationship with the Chamber.
TLR/TWS/CCE	Parent Teacher Conferences were held during the week of November 8-12. Conferences were held virtually, by phone and in person. Staff and families have appreciated the flexible format.
TLR	Twelve senior families participated in the Free Application for Federal Student Aid (FAFSA) sign up event in November, sponsored by the THS Counseling Dept. The event was held at THS and was a great opportunity for families to receive assistance in the application process and have questions answered. Families had access to technology, records and a FAFSA representative.

TLR/TWS	Upward Bound is a federal program designed to assist first generation college students and/or low income students with high school graduation and enrollment into postsecondary school. Supports include: monthly academic support, weekly tutoring, ACP workshops, college visits and summer sessions on campus. UWSP conducted an informational meeting on November 30th at THS. Thirty THS students attended the event to learn more about the program. Six current program members attended as well.
