

Student Activities  
Board Report  
November 13, 2018

**Activities**

Cross Country – Fall Classic Cross Country at Frenchtown was a great success; all teams were very pleased with the meet and hospitality provide by Frenchtown Public Schools and the community. Our boys team placed 3<sup>rd</sup> and our girls team placed 9<sup>th</sup>. It was a good season for our Cross-Country Athletes and Coaches. At the State meet the boys placed 11<sup>th</sup> and the girls placed 16<sup>th</sup>.

District Volley Tournament Reports - Libby hosted the Northwestern Class A district volleyball tournament on October 26 and 27, 2018. Our volleyball team lost to Whitefish and Polson, and did not qualify for the Western A Divisional Volleyball tournament.

Football team finished the season with a 2-3 conference record and 3-6 overall record, the team did not qualifying for the playoffs this season. Good job to the team and coaches. It was fun to watch the kids progress throughout the season.

Speech is off to a good start this season, they have competed in the following Speech meets; Stevensville, Havre and Browning. The coaches are excited for the season and are looking forward to the kids improving from last season.

BBB, GBB, Wrestling and Winter Cheerleading will get started on November 15, 2018. We had the winter sports parent meeting on November 5, 2018.

**Red Ribbon Week**

The Red Ribbon week schedule this year was October 23 to October 31, 2018. The start of Red Ribbon week this year we had a Color Fun Run at each of the schools in the district. All students and staff that participated had a great time on Tuesday October 23, 2018. KW Bergan and Vina Chattin had their run on their playground. BES had their run around the school along the side walk. Napi had their run on the football field. BMS had their run on the track at their school and BHS had their run around the school. This year's event was awesome.

Each of the school's had different red ribbon week activities during the school day. At BHS we had a panel of two come to the school and present to the BHS and BMS students about their experiences with drugs, positive choices they made in their lives and what they are doing now in their lives to be great role models in the community. It was very pleasant to listen to each of their stories and to see our youth engaged in the presentation.

Lights On After School was a great success again this year. We had plenty for the youth of the community to do while at the high school for the activities. We had a pumpkin patch set up out side where kids could go through and chose a pumpkin and then bring the pumpkin inside to decorate. We had a hay ride for both kids and parents which was a huge success. We had a rock climbing wall set up for kids to climb and a bouncy house setup for kids to have while outside.

This year we moved the registration to inside the lunch room area so that parents and kids didn't have to wait outside in the cold while trying to get registered for the event. Each kid received a Halloween treat bag where they were able to put items in when they received a bag of candy, popcorn ball and the many prizes at each of the activities inside the gym. We invited community organizations and business to setup activities for kids to do or booths for information to be given out to parents and students. We had two DJ's playing music this year. One was setup in the gym and the other was setup in the lunch room.

We had a lot of positive comments by people that attend and by our workers. Parents and grandparents were pleased to not have to wait outside and were also pleased that the registration didn't take long for the kids to get signed up. Staff were pleased with all of the activities planned and liked that we had the activities both inside and outside.

This day is awesome and we are very proud that it was successful again this year. We couldn't do it without the help of all the people involved. We had plenty of our high school students volunteer to run the activities in the gym and outside of the school. We had the community organizations and programs come have more of a role of the event.

### **BMS Report**

The BMS girls basketball season has come to a close. The final four tournament was held in Havre, MT where the 7B team took 3rd place, 7A took 4th place and 8B took 2nd place.

The BMS boys basketball season has started and there are 26 7th graders and 15 8th graders out for basketball. Games have been played in Shelby, Rocky Boy and Browning to this day. The next games will be held in Fairfield and Havre on 11/10/18.

### **Napi Report**

Napi has started our 6<sup>th</sup> grade basketball program. We have two teams, two coaches, and a total of 23 players, and two managers. We have a very busy schedule, and our teams have committed to working hard all week long in games and practices.

Our coaches have been focusing on implementing designed plays, proper screens, and positioning. Our coaches have also been focusing on teamwork and sportsmanship. So far, we haven't had any issues arise this season.

Our gym will be hosting a youth basketball tournament over thanksgiving weekend organized by Dixie Guardipee.

We will be starting our 4<sup>th</sup> and 5<sup>th</sup> boys basketball at the end of the month as well.
