Re: Personal Protection Equipment (PPE) Purchase

I am requesting the purchase of Personal Protection Equipment (PPE) be placed on the agenda for the August 17, 2020 Committee of the Whole meeting. This will actually be several different items purchased from two separate vendors. I am recommending the purchase of single panel acrylic protection barriers from School Specialty for \$55,144.00; three-side polycarbonate barriers from School Specialty for \$67,152.00; disposable rags and buckets from Ferguson Facility Supply for \$23,550.00; various sized disposable gloves, disposable child masks, and child face shields for \$31,100.00. The total of this PPE purchase amounts to \$176,946.00 from the General Fund.

Please contact me if you have questions. Thank you.
