BOARD POLICY: FMG (Local)

STRATEGIC GOAL(S): Student Academic Success

FISCAL NOTE: \$1,500.00 per Student – Source of funding: DHS CTE, & Family Contributions.

PREPARED/PRESENTED BY: Sam Nix, Chief Academic Officer

Background Information

Students will tour colleges to experience Top HBCUs, Elite Public & Private, and Ivy League universities. These students would benefit from experiencing these different campuses so they can reach their full potential. A high percentage of minority and low-income students choose not to go far from home for college because they haven't been given the experience of visiting different places. As Panthers Impact advisors, we want to make sure these students are given the opportunity to visualize themselves on these campuses firsthand.

Administrative Considerations

- Mode of transportation are several SUVs
- 1 Trip Leader and 9 Chaperones
- 25 students would attend
- No class days missed

Recommendation

The administration recommends that the Board approves the DHS Panthers Impact Summer College Tour during the dates of July 18th -August 1st, 2026.
