Meeting Date: September 14, 2009

Presented by: Mr. Horace Williams, Superintendent of Schools

Subject: Renewal of Unemployment Insurance for 2009-2010 with
TASB Risk Management Fund.

Action Items

BACKGROUND INFORMATION: Participation in the TASB Fund is via Interlocal Participation Agreement which meets Section 44.031 of the Education Code as an approved purchasing method that is in compliance with all bidding statues. This allows us to renew the coverage without going through an additional bidding process. TASB Risk Management Fund has provided unemployment compensation insurance coverage for the District. This is a continuation/renewal of those services for the period of October 1, 2009 to September 30, 2010. The Contribution and Coverage Summary comparison is attached. The CCS for 2009-10 school year is significantly higher due to the following:

- Unemployment benefits can run up to 26 weeks
- If the claimant has not found a job, they can request an extension from the state for 13 additional weeks. (then 26 additional weeks from federal - does not run concurrent)
- The max pay is \$392.00 per week.
- Max is adjusted up on October 1st of each year.

RECOMMENDATION: Approve TASB Risk Management Fund as the provider of unemployment compensation insurance for 2009-2010 with an estimated cost of \$107,951.54.
