Subject: Purchase of Softball Bleachers Related Page(s) _____

Action

BACKGROUND INFORMATION:

Presently, we have a seating capacity of about 290. Last year we had a very successful year in softball and the games were well attended. According to the Athletic Department our team should be very competitive for the next three years. I have informed you that because of the number of people attending our games, we have had some issues with crowd control. A solution is to add additional seating at the cost of \$126,600.00 as proposed by Southern Bleacher Company. If the Board wishes to pursue this project, funds would have to come from fund balance. Another option is to wait and plan to budget for this project in the 2016-2017 budget.

RECOMMENDATION:

Consideration and Possible Approval

BOARD ACTION REQUIRED:

I move the Board approve the Purchase of Bleachers for the Softball Field.
