Dear Mr. Turner and current board members,

I am writing this letter to inform you of my resignation from the school board. It has been a pleasure to serve with each of you for the last four years. Due to owning my own business, I feel that this is in the best interest for my family and I at this time.

Sincerely,

A handwritten signature in blue ink that reads "Levi Woods". The signature is written in a cursive style with a large, sweeping initial 'L'.
